# Student Reflections on God

**Crash Twist- Senior**

"As I sat on a cliff in Colorado, asking God if there was anything he would want to say to me, to my surprise, a voice came over the rocks in the wind and he answered me. It was only three words, but those three simple words have changed my life forever. Those three simple words that he said to me were, 'Rest In Me'. It's a simple concept, but doing this on a daily basis is the difficult part. It's been a challenge for me to try and make this a everyday priority everyday, but when I do, it's a genuine blessing that God gave

**Kelly Rockhold- Junior**

"Do you not know that those who run in a race all run, but only one receives a prize? Run in such a way that you may win.: (1 Corinthians 9:24)

"I realize that in school and in volleyball that there is always a goal to be set and reached. There are always risks to be taken and if we sit back and watch, we aren't running in the race but merely bystanders without the will and desire to set and meet the goals God given us."

**Rachelle Ward - Freshman**

"All human beings pass away. Do not let your happiness depend on something you may lose. If love is to be a blessing, not a misery, it must be for the only Beloved who will never pass away." (C.S. Lewis- The Four Loves: Psalm 62:1,2)

## Reflections...

of Our Lord and Savior Jesus Christ

## Reflections...

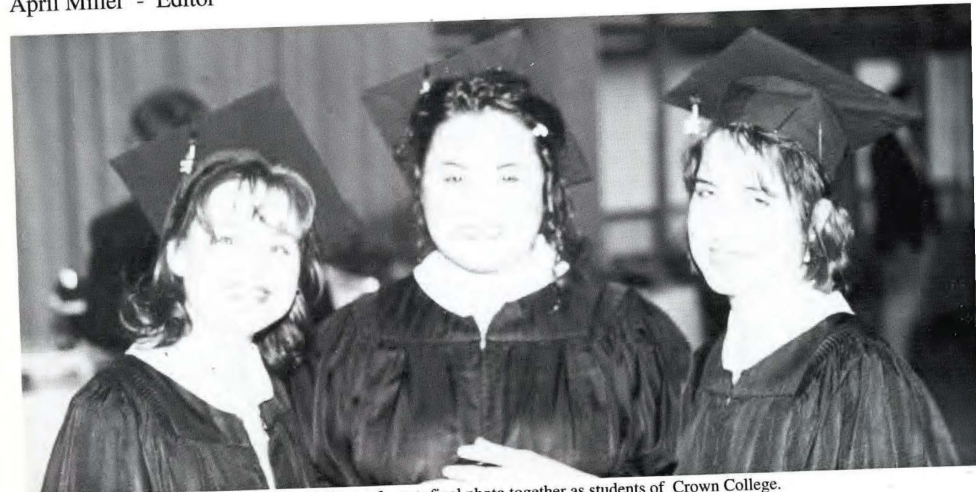

of students, faculty, sports, activities, and of Crown College itself.

## Reflections...

of what makes Crown different from everybody else.

That is what this book represents; reflections from the College President down to a first year freshman. As you look through this book I want you to have a sense of pride and accomplishment of everything that Crown is to you and of everything that you are to Crown.

April Miller - Editor

The 1995-96 Shield is published by Jostens with the help and advice from Tom Vander Aarde. Special thanks goes to Professor Jill Martin for her advice and support as well as the people who generously donated photographs for the yearbook. An extra special Thank You to Jostens representative Tom Vander Aarde for having all the answers and for his incredible amount of patience. Thank you also to the Crown Student Body, faculty, and staff for being a part of the 1995-96 school year.
